## Virginia Veterinary Disclosure Form

(Please read carefully before signing)

By state law, we are required to inform you of the hours during which there will be no doctors in the hospital.

After regular business hours, we will remain with any sick pets as long as necessary until they are properly stabilized. If your pet requires continued veterinary monitoring, arrangements need to be made to transfer your pet to a local emergency hospital.

Acredale Animal Hospital, Inc. has business hours and medical staffing hours at our Kempsville location (1200 Lake James Drive) as follows:

Monday -- Thursday 8:00 am to 8:00 pm

Friday -- Saturday 8:00 am to 5:00 pm

Therefore, we have no in-house, on duty, veterinarian: 1. overnight from closing times to opening time (as noted above), 2. Saturday at 5pm until 8am on Monday morning, 3. Occasional Holidays, from closing time before the holiday to opening time following the holiday. We take responsibility for caring for your pets very seriously. If your pet becomes ill, or shows evidence of fleas, worms, or any other parasite, they will be treated at your expense. If you do not wish for your pet to be treated, then we cannot allow your pet to stay at our hospital. Aside from food and medications, we take no responsibility for any items you select to leave with your pet.

\_\_\_\_\_ ***I have read this form and I am aware of the above staffing hours. I will pick up my pet by 7:00pm if dropped off Monday-Thursday; or by 4:00pm Friday and Saturday***
